Jason N. Miller is a Shareholder at Carpenter, Hazlewood, Delgado & Bolen where he has been practicing since 2006. In 2016, he became managing attorney of the firm's Prescott office. Although located in Prescott, his client base expands across Northern Arizona, extending well beyond the Prescott and immediate Quad-City area. Jason's practice focuses on general business and transactional matters for community associations, businesses, nonprofits and religious organizations.

Jason is a graduate of Washburn University School of Law and is licensed to practice law in both Arizona and Kansas. Jason is a true advocate for his clients. His extensive experience in community association law is an asset to associations statewide. He has assisted in the preparation of numerous amendments to association governing documents, provided countless legal opinions analyzing complex legal issues, and revised scores of contracts with an eye towards protecting his clients' interests. Jason also advises business clients on all aspects of business formation, operation and dissolution. Whether reviewing contracts, drafting governing documents and amendments, attending board meetings, providing legal opinions, assisting with business formation, or negotiating complex real-estate transactions, Jason focuses on the matters that are important to his clients.

An active member in the Prescott community, Jason regularly attends business and social events around town. He also holds educational seminars for board members and business owners at various locations around Northern Arizona. When he is not behind the desk, Jason enjoys spending time with his family and attempting to shoot par on any number of his favorite golf courses throughout the State.
