

**Flags expressly permitted for display by Arizona law
(effective September 24, 2022)**

First Responder Flags (any combination of the following)

- Colors:** Blue, Black, Gold, Red, and/or White
Words: "D", "Department", "Emergency Medical", "F", "FD", "Fire", "First Responder", "Honor Our", "Law Enforcement", "Paramedic", "Police", "Officers", "Service", "Support Our", and/or "Technician"
Symbols (generic): Maltese Cross, Police shield in a crest or star shape, and/or the Star of Life

NOTE: While the intent of the statute arguably may have been to permit the display of "Thin Blue Line"/"Thin Red Line" flags, it remains to be determined whether such flags are expressly permitted for display under the precise wording of the statute. Associations that retain authority over flag approval retain discretion to approve these or other flags for display.
